Circular No 667

July 11, 1967

Dear Sir,

In the name of the Director, Professor G.H.C. Bodenhausen, and in accordance with Article 6ter, paragraph 3, of the Paris Convention for the Protection of Industrial Property (paragraph (3)(a) of the Lisbon text), I have the honor to send you herewith, at the request of the Yugoslav authorities, a list of armorial bearings, flags and other state emblems, official signs and hall-marks indicating control and warranty, which the Socialist Federal Republic of Yugoslavia wishes to place under the protection of Article 6ter of the Paris Convention.

This communication is addressed to all the countries of the Paris Union. It replaces, for those countries which have received it, Circular No. 253 of April 20, 1936, which should be considered as cancelled.

It is binding on all the countries of the Paris Union, not only those which have ratified the Lisbon text or have adhered to it, but also those bound solely by the Hague text (1925) or the London text (1934).

This communication is complementary to Circulars No. 651 of February 1, 1967, No. 664 of June 8, 1967, and No. 668 of July 12, 1967, relating to armorial bearings, flags and other state emblems, official signs and hall-marks indicating control and warranty, so far communicated by the countries of the Union in conformity with Article 6ter of the Paris Convention.

Yours faithfully,
